PROFILE SUMMARY

Dedicated high school student with strong academic performance and a passion for technology. Seeking an opportunity to apply technical skills to gain practical experience.

WORK EXPERIENCE

Tessie and Dick's Poultry   2020-2021
Cashier

- Provided excellent customer service by efficiently processing purchases, handling transactions, and addressing customer inquiries.
- Managed cash register operations, accurately handling cash, credit, and other forms of payment while balancing cash drawers at shift's end.

Culver's   2024 - Present
Team Member Crew

- Responsible for providing excellent customer service and ensuring a high-quality dining experience including cashier duties, customer service, drive-thru service, dining area maintenance, and food preparation.
- Delivered outstanding guest service and maintaining Culver's commitment to quality food and hospitality.

Freelance   2024-Present
Freelance Web Designer

- Designed and developed custom, responsive websites for clients across various industries, utilizing HTML, CSS, JavaScript, and WordPress to deliver high-quality, user-centered designs.
- Collaborated closely with clients to understand project goals, create wireframes, and execute visually appealing, functional websites that align with brand identities and enhance user experience.
